

Azadi Ka
अमृत महोत्सव

Master Class Lecture on Machine to Machine Connectivity and its applications

Speaker

10:00 — 11:00 AM

T Narendra Reddy (PhD)
Scientist, Smart Manufacturing
Precision Machine Tools
CMTI

He is a Scientist specialized in the areas of system developments, machine developments, solution developments related to Smart Manufacturing & Industry 4.0, Ultra Precision Machine and subsystem Developments & Nanotechnology Equipment's. He has involved in the development of Intelligent Ultra Precision Turning Machines, Ultra Stiff Ultra Precision Turning Machines, Portable Scanning Tunnelling Microscopes (STM), Closed Loop Nano Positioning Stage, Nano-Motion Systems (Hydrostatic Slides & Aerostatic Spindle) and IIoT Solutions developments.
