iv	Period during which the tender documents will be issued	From : 16-08-2021 from 10.00 hrs To : 23-08-2021 up to 12.00 hrs
v	Last date and time for tender submission	23-08-2021 up to 15.00 hrs
vi	Due date and time of opening of tenders	23-08-2021 or any other date as per availability of tender opening committee
vii	Performance Guarantee	The successful contractor shall deposit before commencement of work, an amount equal to 5% of the tendered value of work as performance guarantee in the form of Demand draft .
viii	Time allowed for the completion of work from the date commencement of work.	30 days from the 15th day of issue of letter of intent.
ix	Rates	Rates to be quoted in Schedule of Quantities only
x	Security Deposit	A sum @ 5% of gross amount of bill shall be deducted from each running bill, till the sum along with the sum already deposited as Earnest Money, amounts to security deposit @ 5% of the tendered amount of the work.
xi	Specifications	The work shall be carried out strictly in accordance with the attached specifications and wherever items are not covered by these specifications, in accordance with the relevant specifications laid down in CPWD general specifications for Electrical works and to the entire satisfaction of the Director, Central Manufacturing Technology Institute.

2. Sealed item rate tenders are invited from reputed, licensed electrical contractors for the work of “**Electrical works for providing power supply to heat treatment room.**” at Central Manufacturing Technology Institute, Tumkur Road, Bangalore.
3. Tenders are to be submitted to the **Group Head (Engineering Services)**, Central Manufacturing Technology Institute, in sealed covers with the name of the work written on the envelopes.
4. The contractor should quote in figures as well as in words the rates tendered by him. The amount for each item should be worked out and the requisite totals given. All erasures and alterations made while filling the tender must be attested by the initials of the tenderers. Over writing of figures is not permitted. Any discrepancy written in words and figures are found, and then the rate written in words will prevail. GST has to be separately indicated in relevant column in price bid. Bid submitted without indicating GST will be considered inclusive of GST and will be processed accordingly.
5. Item rate tenders showing percentage above or below are liable to be rejected. Canvassing in connection with the tenders is strictly prohibited and the tenders submitted by the contractors, who resort to canvassing will be liable to be rejected. Tender containing additional conditions are also liable to be rejected. No advice of any change in rate or conditions after the opening of the tender will be entertained.
6. Tenders which do not fulfill all or any of the above conditions or incomplete in any respect are liable to summary rejection.
7. The contractor will have to give a declaration in writing to the fact that they are not related to any officer of the Central Manufacturing Technology Institute.
8. Earnest Money is liable to be forfeited if the contractor selected for the work fails to sign the formal agreement or fails to start the work within seven days of order to commence the work.
9. The tenders of contractors who has not furnished the EMD before or along with the submission of tender will be rejected invariably without assigning any reason.
10. The acceptance of the tender will rest with the Central Manufacturing Technology Institute which does not bind itself to accept the lowest tender and reserves to itself the authority to partially accept or reject any or all the tenders received without assigning any reasons. It will rest with the accepting authority to split up the whole work between the two or more contractors or accept it in parts if considered expedient.
11. This “Limited Tender Notice” shall also form part of the tender documents.

.....

SPECIAL CONDITIONS

1. Sealed tenders should be addressed to GH (ES), Central Manufacturing Technology Institute, Tumkur Road, Bangalore-560 022 and should be super scribed work : **“Electrical works for providing power supply to heat treatment room”** and so as to reach them not later than **15:00 hours of date 23-08-2021.**
2. Tenders will be opened on the day mentioned in ‘Limited Tender Notice’ Or any other date as per availability of tender opening committee at Central Manufacturing Technology Institute, Bangalore, in the presence of the tenderers or their representatives, if they choose to be present.
3. Rates quoted in the tender should be valid for a period of 03(three) months from date of opening of tender.
4. The employer does not bind himself to accept the lowest or any tender and reserves to himself the right to accept or reject any or all the tenders, either in whole or in part without assigning any reasons for doing so.
5. Each of the tender documents is required to be signed by the person or persons submitting the tender in token of his/their having acquainted himself/themselves with the general conditions of contract, general specifications, special conditions, etc., as laid down. Any tender with any of the documents not so signed will be rejected.
6. The tender submitted on behalf of a firm shall be signed by all the partners of the firm or by a partner who has the necessary authority on behalf of the firm to enter into the proposed contract, otherwise the tender is liable to be rejected.
7. The tender form must be filled in English and all entries must be made by hand and written in ink. If any of the documents are missing, or is unsigned, the tender will be considered invalid.
8. All erasures and alterations made while filling the tender must be attested by initials of the tenderer. Overwriting of figures is not permitted. Failure to comply with either or these conditions will render the tender void. No advice of any change in rate or conditions after the opening of the tender will be entertained.
9. Within seven days of the receipt of intimation from the employers of the acceptance of his/their tender, the successful tenderer shall be bound to implement the contract by signing the agreement in accordance with the draft agreement and the schedule of conditions and the written acceptance by the employer of the tender will constitute a binding agreement between the employer and the person so tendering whether such a formal contract is or is not subsequently entered into.
10. **Security Deposit :** A sum @**5%** of gross amount of bill shall be deducted from each running bill of the contractor, till the sum along with the sum already deposited as Earnest Money Deposit, amounts to **security deposit @ 5%** of the tendered amount of work.
11. **Performance Guarantee:** The successful contractor shall deposit before commencement of work, an amount equal to **5%** of the tendered value of work as performance guarantee in the form of **Demand draft of Schedule Bank.** The **Performance Guarantee** shall be refunded to contractor soon after the completion of the work, along with final bill.
12. The contractor must not assign the contract, he must not sublet any portion of the contract except with the written consent of the employer failing which the employers may serve a notice in writing rescinding the contract whereupon the security deposit shall stand forfeited and at absolute disposal of the employer.
13. A schedule of probable quantities in respect of each work and specifications accompany these special conditions. The schedule of probable quantities is liable to alterations by omission, deductions or additions to any extent at the discretion of the employer. Each tender should contain not only the rates but also the value of each item of work entered in a separate column and all the items should be totaled in order to show the aggregate value of the entire tender. All correction in the tender rates shall be duly attested by the dated initials of the tenderer. Corrections which are not attested may entail the rejection of the tender. Rates should be quoted both in figures and words in columns specified.
14. The tenderer must obtain for himself on his own responsibilities and at his own expense all the information which may be necessary for the purpose of making a tender and for entering into a contract and must examine the drawings and must consider **and inspect the site of the work** and acquaint himself with all local conditions, means of access to the work, nature of the work, and all matters pertaining thereto.

15. The rates quoted shall be deemed to be for the finished work to be measured at site. The rates shall also be firm and shall not be subjected to exchange variations, labour conditions, fluctuations in railway freights or any conditions whatsoever. The rates quoted should be inclusive of all applicable taxes as per standard orders of Government of India and State Government. Only GST should be separately shown in relevant column.
16. The successful tenderer should make his own arrangements to obtain all materials required for the work.
17. The successful tenderer is bound to carry out any item of work necessary for the completion of the job even though such items are not included in the quantities and rates. Schedule of instructions in respect of such additional items and their quantities will be issued in writing by the employer.
18. The successful tenderer must co-operate and co-ordinate his work with the work of all other contractors appointed by the employer so that the work shall proceed with the least possible delay and to the satisfaction of the employer.
19. The contractor's co-ordination with other contractors appointed by the employer is essential to maintain smooth progress of the work and any delays which in the opinion of the employer is due to non-co-ordination and inefficient management of the contractor will not be entertained for any extension of time.
20. The security deposit of the successful tenderer will be forfeited if he fails to comply with any of the conditions of the contract.

I / WE HEREBY DECLARE I/WE HAVE READ AND UNDERSTOOD THE ABOVE INSTRUCTIONS FOR THE GUIDANCE OF THE TENDERERS.

SCHEDULE “A “

TERMS AND CONDITIONS OF CONTRACT

1. Definitions:

In ensuring these conditions, the specifications, Schedule of quantities and Contract Agreement, the following words shall have the meanings herein except where the context otherwise requires:

EMPLOYER	:	Shall include its successors and assigns and all the persons for the time being in the management of the Institute.
CONTRACTOR	:	Shall mean and shall include his/their legal representative, assigns or successors.
SITE	:	Shall mean the site of the contract works prescribed by institute.
THIS CONTRACT	:	Shall mean invitation to Tender, General Instructions and Conditions of Tender, Letter of Acceptance, Agreement and Conditions of Contract, The Appendix, Specifications, the Schedule of Quantities attached hereto and duly signed.
COMMISSIONING	:	Shall mean carrying out ‘Performance tests’ and for providing trouble free operation of electrical installations and equipments.
NOTICE IN WRITING or WRITTEN NOTICE	:	Shall mean a notice in writing typed or printed characters sent (unless delivered personally or otherwise proved to have been received) by Registered post to the last known private or business address or registered office of the addresses and shall be deemed to have been received when in the ordinary course of post it would have been delivered
ACT OF INSOLVENCY	:	Shall mean any Act of Insolvency defined by the Presidency Towns Insolvency Act, or the Provincial Insolvency Act or any act amending such original.
THIS WORKS	:	Shall mean the LT Electrical works

2. EXTRA WORK TO BE APPROVED BY THE EMPLOYER:

Notwithstanding anything herein contained, the contractor or their representative shall not, without the prior concurrence in writing of the employer, issue any instructions, verbal or in writing for extra work. The contractor shall submit to employer a statement of such extra work giving quantities and rates duly supported by an analysis of such rates, vouchers etc., The employer shall not be liable for payment for such extra work until such work is sanctioned by him.

3. AGREEMENT COPIES TO BE SUPPLIED:

A certified copy of the contract shall remain in the custody of the employer and shall be produced by them at their office as and when required by the contractor. The contractor on the signing hereof shall be furnished by the employer free of cost with a certified copy of the agreement, one copy of the specifications, two copies of the said drawings and two copies of all further drawings issued during the progress of the works. Any further copies of such drawings required by the contractor shall be paid for by him. The contractor shall keep one copy of all the drawings on the works and the employer, or their representative shall at all reasonable times have access to the same. Before the issue of final certificate to the contractor, he shall forthwith return to the employer all drawings and specifications.

4. CONTRACTOR TO CONFORM TO LOCAL REGULATIONS:

The contractor shall conform to the provisions of any Act of the legislature relating to the works and to the regulations and bye-laws of any authority and of other companies with whose systems structure is proposed to be connected and shall before making any variations from the drawings or specifications that may be necessitated by so conforming give to the employer written notice, specifying the

variations proposed to be made and the reasons for its, and apply for instructions thereon. In case the contractor shall not, within ten days, receive such instruction, he shall proceed with the work conforming to the provisions, regulation, or Bye-laws in question and any variation so necessitated shall be dealt with Under Clause No.10.

The contractor shall bring to the attention of the employer all notices required by the said Act, Regulations, or Bye-laws to be given to any authority and pay to such authority, or to any public office all fee that may be properly chargeable in respect of the works, and lodge the receipts with the employer. The contractor shall indemnify the employer against all the claims in respect of patent rights and shall himself pay all royalties, license fees, damages, costs and charges of all and every sort that may be legally incurred in respect thereof.

5. CONTRACTOR RESPONSIBLE FOR SETTING OUT WORKS AND FOR RECTIFYING BAD WORKS:

The contractor shall set out the works and shall be responsible for the true and perfect setting of the same and for the correctness of the positions, levels, dimensions and alignment of all parts thereof. If at any time any error in this respect shall appear during the progress of the works, the contractor shall at his own expense rectify such error to the satisfaction of the employer.

6. MATERIALS AND WORKMANSHIP TO CONFORM TO DESCRIPTION:

All materials and workmanship shall be of the respective kinds described in the schedule of quantities and or specifications and in accordance with the employers instructions and the contractor shall upon the request of the employer furnish them with all invoices, accounts, receipts and other vouchers, accounts to prove that the materials comply therewith. The contractors shall at his own cost arrange for and or carryout any test of any materials which the employer may require.

7. ASSIGNMENT AND SUBLETTING:

The whole of the works included in the contract, shall be executed by the contractor and the contractor shall not directly or indirectly transfer, assign or sublet the contract or any part share thereof or interest therein without the written consent of the employer, and no undertaking shall relieve the contractor from the full and entire responsibility of the contractor or from active superintendence of the works during their progress.

8. VARIATIONS NOT TO VITIATE THE CONTRACT:

No alteration, omission or variation shall vitiate this contract but in case the employer think proper at any time during the progress of the works to make any alteration, or additions to or omissions from the works or any alteration in the kind or quality of the materials to be used therein and shall give notice thereof in writing under their hand to the contractor, the contractor shall alter, add to or omit form the works, as the case may require, in accordance with such notice, but the contractor shall not do any work extra to or make any alterations or additions or to omit from the works or any deviations from any of the provisions of the contract, stipulations, specification of contract drawings without the previous consent in writing of the employer and the value of such extras, alterations, additions or omissions shall in all cases be determined by the employer with the prior approval in writing of the employer in accordance with the provisions of clause 10 hereof and the same shall be added to or deducted from the contract amount accordingly.

9. SUFFICIENCY OF SCHEDULE OF QUANTITIES:

The contractor shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his tender for the works and of the prices stated in the schedule of quantities and or the schedule of rates and prices which rates and prices shall cover all his obligations under the contract, and all matters and things necessary for the proper completion of the works.

10. PRICES FOR EXTRA WORK:

Should it be found after the completion of the works from measurements taken (in accordance with the previous paragraph) that any of the quantities or amounts or works thus ascertained are less or greater then the quantities or amounts specified for the works in the priced schedule of quantities and / or tender or that any variation is made, the valuation of such quantities, amounts or variations, unless previously or otherwise agreed upon, shall be made in accordance with the following rules:

- a) The net rates or prices in the original tender shall determine the valuation of the extra works, where such extra work is of similar character and executed under similar conditions as the work priced therein.
- b) The net prices of the original tender shall determine the value of items omitted provided if omissions vary the conditions under which any remaining items of the works are carried out the prices for the same shall be valued under sub-clause (c) hereof.
- c) Where the extra works are not of similar character and / or executed under similar conditions as aforesaid or where the omissions vary the conditions under which any remaining items of works are carried out or if the amount of any omissions or additions relative to the amount of the whole of the contract works or to any part thereof shall be such that in the opinion of the employer the net rate or price contained in the priced schedule of quantities or Tender for any item of the works involved loss or expense beyond that reasonably contemplated by the contractor is by reason of such omissions or additions rendered unreasonable or inapplicable, the employer shall fix such other rate or price as in the circumstances they shall think reasonable and proper, with

the prior approval in writing of the employer. The payment will be made on actual data rates worked out by the employer on actual cost of materials and labour with allowance of 5% overhead and 10% contractors profit.

The measurement and valuation in respect of the contract shall be completed within the “period of final measurements” stated in the Schedule ‘B’.

11. DEFECTS LIABILITY PERIOD:

Any defect, shrinkage, settlement or other faults which may appear within the “Defects Liability Period” after the virtual completion of the work, arising in the opinion of the employer from materials or workmanship not in accordance with the contract, shall upon the directions in writing of the employer, and within such reasonable times as shall be specified therein, be amended and made good by the contractor, at his own cost and in case of default the employer may employ and pay other persons to amend and made good such defects, shrinkage, settlements or other faults, and all damages, loss and expenses consequent thereon or incidental thereto shall be made good and borne by the contractor and such damage, loss and expenses shall be recoverable from him by the employer or may be deducted by the employer from any moneys due or that may become due to the contractor.

12. COMPLETION CERTIFICATE:

The works shall not be considered as complete until the employer have certified in writing that they have been virtually completed and the defects liability period shall commence from the date of such certificate.

13. OTHER PERSONS ENGAGED BY EMPLOYER:

The employer reserves the right to use the premises and any portion of the site for the execution of any work not included in this contract which he may desire to have carried out by other persons, and the contractor is to allow all reasonable facilities for the execution of such work but is not required to provide any plant or materials for the execution of such work except by special arrangement with the employer, such work shall be carried out in such manner as not to impede the progress of the works included in the contract.

14. LIABILITY FOR ACCIDENTS AND DAMAGE AND INSURANCE:

- i) The contractor shall, during the execution of the work, properly cover up and protect any part of the work liable to damage by exposure to the weather, and shall take every reasonable precaution against damage to the work from any cause.
- ii) All contractor’s equipment shall be at the sole risk of the contractor.
- iii) The contractor will insure all his personnel employed for the execution of the work, against any personal injury may be sustained by them as a result of the execution of the works and present satisfactory evidence that such insurance is in force.

The contractor shall be responsible for workman’s compensation insurance and all other statutory requirement in regard to the personnel in the contractor’s employment.

15. DATE OF COMMENCEMENT:

The contractor shall be allowed admittance to the site on the ‘Date of commencement’ stated in the Schedule ‘B’ and he shall thereupon and forthwith begin the works and shall regularly proceed with and complete the same on or before the ‘Day of Completion’ stated in the Schedule ‘B’ subjected to the provisions for extension of time hereinafter contained.

16. LIQUIDATED DAMAGES FOR NON-COMPLETION:

If the contractor fails to complete the works by the date stated in the Schedule ‘B’ hereof and the employer certifies that in his opinion the same ought to have been reasonably completed, the contractor shall pay or allow the employer the sum named in the Schedule ‘B’ as ‘Liquidated Damages’ for the period during which the said works shall so remain incomplete and the employer may deduct such damages from any moneys due to the contractor.

17. FORCE MAJEURE:

The right of the contractor to proceed with the work shall not be terminated because of any delay in the completion of the work due to unforeseen causes beyond the control and without the fault or negligence of the contractor, including but not limited to acts of God, or the public enemy, restraints of the Sovereign State, fires, floods, unusually severe weather and acts of the employer.

If the contractor is wholly prevented from performance of the contract for a period in excess of thirty (30) consecutive days because of a Force Majeure, the employer may terminate this contract by thirty (30) days written notice delivered to the contractor and if the period of the Force Majeure exceeds ninety (90) consecutive days, the contractor may terminate this contract by thirty (30) days written notice to the employer. In the event, this contract is so terminated, the contractor shall be paid all costs actually incurred (which costs shall not include any other expenses of the contractor such as loss or profits, salaries of contractor’s employees, expenses

of contractor towards maintenance of his establishment etc..) for the work executed up to the date of termination. Failure to agree on an equitable adjustment shall be deemed to be dispute.

18. DELAY AND EXTENSION OF TIME:

If in the opinion of the employer the works to be delayed:

- a) by force majeure; or
- b) by reason of any exceptionally inclement weather of;
- c) by reason of proceedings taken or threatened by or dispute with adjoining owners or public authorities arising otherwise than through the contractor's own default.
- d) by the works or unavoidable delays of other contractors or tradesmen engaged or nominated by the employer and not referred to in the schedule of quantities and / specifications, or
- e) by reasons of civil commotion, local combination of workmen of strike or lockout affecting any of the building traders.
- f) in consequence of the contractor not having received or in due time necessary instructions from the employer for which he shall have specifically applied in writing.

The employer may make a fair and reasonable extension of time for completion of the contract works; in case of such strike or lockout the contractor shall as soon as may be, give written notice thereof to the employer, but the contractor shall nevertheless constantly use his endeavor to prevent delay and shall do all that may reasonably be required to the satisfaction of the employer to proceed with the work.

19. TERMINATION FOR DEFAULT:

If the contractor fails to fulfill the terms of contract and or, where employer is satisfied that it is not in the interest of the employer to persist with the contract with the defaulting contractor, the employer is at liberty to rescind the contract where upon **Security Deposit & Performance Guarantee** amount of the contractor stands forfeited.

Further the employer is at liberty:

- a) to employ labour paid by the employer and supply the materials to carry out the work for and on behalf of the contractor and
- b) to measure up the work of the contractor and to take such part there of as shall be unexecuted out of his hand and to give to another contractor at the risk and cost of the original contractor.

20. ARBITRATION:

- i) If at any time, question, dispute, or difference shall arise between the employer and the contractor under or in connection with the contract either party shall as soon as reasonably practicable give to the other, notice in writing of the existence of such question, dispute or difference specifying its nature and the point of issue and the same shall be referred to arbitration in accordance with the provisions of the Indian Arbitration Act 1940. The award of such arbitration shall be final and binding on the parties hereto.
- ii) Performance of the contract shall continue during arbitration and any subsequent proceedings.
- iii) The venue of all arbitration shall be in Bangalore.

21. RIGHT OF TECHNICAL SCRUTINY OF FINAL BILL:

The employer shall have a right to cause a technical examination of the works and the final bill of the contractor including all supporting vouchers, abstracts, etc, to be made at the time of payment of the final bill. If as a result of this examination or otherwise, any sum is found to have been overpaid or over-certified it shall be lawful for the employer to recover such overpayments.

SITE WORKING CONDITIONS

1. SITE ESTABLISHMENT:

The security of the contractor's equipment and material is his own responsibility. He will ascertain the security arrangements that are made on site by the owner and take any further precautions he may think necessary. The owner accepts no liability for loss or damage to the contractor's plant, tools, or materials, unless caused by the proven negligence of the owner's staff. When the work has been taken over by the owner, responsibility is accepted for the permanent work.

The contractor shall make it a point to hand over to the Security Staff at gate a list of their tools and equipment while bringing them to the site of work. While taking out such tools and equipment after the completion of the jobs, the same will be checked by the Security Staff with the list given at the time of taking them in. If such a list is not given the burden of proof that such tools and equipment belong to the contractor will be on the contractor and without such proof such tools and plants will not be allowed to be taken out.

1.2 First Aid :

The contractor may make use of the owner's qualified first-aid personnel and ambulance where such facilities are available. An agreed charge will be made for each service rendered from date of commencement of contract.

1.3 COMPLETION OF WORK

Before finally leaving site all the contractor's huts, plants, tools and rubbish must be removed and the site left clean and tidy.

1.4 WORKING AND SAFETY REGULATIONS

1.5 The contractor will observe all statutory and legal requirement by Central and State Governments applying to the work as well as any local regulations applying to the site issued by the employer or other authority.

1.6 Particular attention is drawn to the following:

- i) In case of accident, the employer will be informed in writing forthwith. The contractor will strictly follow regulations laid down by factory inspector, Government and State authorities in this regard.
- ii) Fencing all contractor's plant, platforms, excavations etc.,
- iii) Compliance with all electricity regulations.

1.7 Staircase, doors or gangways must not be obstructed in any way that will interfere with means of access or escape.

1.8 No excavation will be started without the permission of employer who will inform the contractor of the position of any pipes or cables now to be buried in the area. All excavations must be effectively relieved off at all times, or completely boarded over and properly marked during the hours of darkness by red warning lamps, using flame proof warning lamps in non-smoking areas. During the hours of darkness heaps of debris or material which cannot be immediately removed must be heaped in such a way as to leave adequate passage way.
