

## Announcement of Student Internships/Projects

To realise the grand vision of our Hon'ble Prime Minister for Atmanirbhar Bharat, the Ministry of Heavy Industries, Government of India is engaged in the development of Technology and Innovation Platforms to promote innovation in the product design and development in the Capital Goods Sector.

**drishti**, platform at CMTI is one of the four platforms offering sponsored internships (4 to 8 weeks), including the project work to undergraduate/ post graduate students (4 to 6 months). These internships are expected to promote innovation and practical problem-solving abilities among the youth through hands-on working on real problems posed.

Internships are offered in **physical mode only** and to the final year undergraduate/ post graduate **engineering students** in disciplines such as CSE, IT, ECE, EEE, Mechanical Engineering, provided they have the required academic background with **70 %** or **7 CGPA** and passion to work on the problems posed by the industries in the following fields.

- IoT and Smart Manufacturing
- Automation and Robotics
- Nanotechnology and Nano Materials
- Advanced Manufacturing Processes
- Design of Machines and Mechanisms

The students selected for the internships will be advised by the mentors, having an expertise to guide the students. Internship has to be completed before **31st Dec 2022**. Students who complete their internships will be paid stipend as given below and a certificate of completion will be issued at the end. Post-graduate students receiving financial assistance from the Government of India are not eligible for any stipend. However, they will be permitted to work.
