Ref. ADMIN/CIR/2021

Date: 30.11.2022

**CIRCULAR**

The demand for CRECHE facility in the Institute by the Employees is increasing as more employees are of young age and requires the facility to start at CMTI.

Workplace daycare is typically an on-site facility that provides child-care for Employees' children. Workplace day care can improve Employees morale and lower absenteeism because fewer mostly female Employees need to take time off to look after their children.

Therefore, CMTI has decided to start a CRECHE facility in the CMTI Residential colony campus and the Guidelines for Creche facility has been made subject to approval of Governing Council.

**The Guidelines is effective from 01<sup>st</sup> December, 2022.**

Applications may be submitted to the undersigned on or before 09.12.2022.

The Guidelines has been uploaded in CMTI Website.
