

Walk-In Interview for MHI Internships/Projects/Trainees

To realise the grand vision of our Hon'ble Prime Minister for Atmanirbhar Bharat, the Ministry of Heavy Industries, Government of India is engaged in the development of Technology and Innovation Platforms to promote innovation in the product design and development in the Capital Goods Sector.

Design, Research and Innovation by Harvesting Science and Technology for Industries (drishti), platform at CMTI is one of the four platforms offering sponsored internships (4 to 8 weeks), project work to undergraduate/ post graduate students (4 to 6 months), including the trainees to Graduate and Post Graduate freshers (4 to 6 months). These Programs are expected to promote innovation and practical problem-solving abilities among the youth through hands-on working on real problems posed.

All programs are offered in physical mode only and to the pre-final and final year undergraduate/ post graduate engineering students in disciplines such as CSE, IT, ECE, EEE, Mechanical Engineering etc, provided they have the required academic background with 70 % or 7.75 CGPA and passion to work on the problems posed by the industries in the following fields.

- IoT and Smart Manufacturing
- Automation and Robotics
- Nanotechnology and Nano Materials
- Advanced Manufacturing Processes
- Design of Machines and Mechanisms

Shortlisted students will be advised by the mentors, having an expertise to guide the students. Internship has to be completed before **31**st **March 2024**. Students who complete the below programs will be paid stipend as given below and a certificate of completion will be issued at the end.
