MARCH 2024**

** VENUE: Central Manufacturing
Technology Institute,
Bengaluru -560022**

In a dynamic world propelled by innovation and progress, the pivotal role of women in shaping the landscape of science, technology, and society cannot be overstated. As we stride confidently into the future, it is imperative to recognize and celebrate the invaluable contributions of women in these domains. To ignite discussions, foster collaboration, and inspire the next generation, we proudly present our upcoming workshop: "The Role of Women in Science, Technology, and Society."

Join us for this engaging and thought-provoking workshop designed to explore, celebrate, and amplify the impact of women in the fields of science, technology, humanities, education etc. This event will bring together accomplished professionals, students, and passionate advocates for a series of interactive sessions, discussions, and activities aimed at unravelling the multifaceted role of women in shaping the future.
